This requires that in such programmes all diverse opinions on the subject under consideration have to be included.

(5) In the case of sub-article (4) above, the Authority may approve programme schedules proposed by broadcasting stations after it is satisfied that the provisions of article 119 of the Constitution will be complied with. The Authority shall, in particular, ensure compliance with the said provision in so far as choice of subjects and participants are concerned.

(6) For the purposes of this directive "political nature" or "political content" mean a controversial opinion pertaining to modern society in general which lies at the heart of a political debate and includes campaigning for the General Election.
