43 DEADINECC DATE
13. READINESS DATE
How long after the award of licence would you be ready to start broadcasting? What are the main factors that will determine your readiness date?

I certify that, to the best of my knowledge, the details given in this application for a licence to provide sound broadcasting services are correct, and that I have read the Broadcasting Act 1991 and understand the terms under which licences to broadcast are issued. I understand that, if awarded the licence, tape recordings of all output, apart from commercial types, records or discs (with timings), will need to be made and retained for ninety days prior to being recycled and that if phone-ins are part of the station's programming a delay mechanism will need to be installed and instructions given for its use where necessary.

retained for ninety days prior to being recycled and that if phone-ins are part of the station's programming a delay mechanism will need to be installed and instructions given for its use where necessary.
Further I declare and confirm that I am fully aware that the Broadcasting Authority reserves the right to carry out a due diligence review of the legal, financial, technical and business operations and condition of Applicants. I acknowledge, undertake and bind myself to cooperate in regard to any such review and to provide when necessary information and documents for the proper and effective implementation thereof.
